

# WATERSHED WEBINAR

NOVEMBER 19, 2020

10:30 A.M.-12:30 P.M

Learn about watershed planning, innovative projects and the role you play in the watershed where you live.

A webinar hosted by Soil and Water Conservation Districts of Northeastern Illinois.

The webinar is designed to connect participants to top experts from the area.

Following the presentations, pack your lunch for a “brown bag discussion” when you will have the opportunity to discuss ideas about watershed works in smaller break out groups.

To register this free webinar and receive the Zoom link go to
